WORK EXPERIENCE:

- Date: January 1989 to Present
 Position: Clinical Psychologist, Owner
 Agency: Parkview Psychological Services, P.C.
 Sioux City, IA
 Duties: Provide individual and couple psychotherapy on an outpatient basis in a private practice setting. Client population covers a broad range of clinical problems. Perform psychological evaluation and testing.
- Date: April 1988 to December 1988
 Position: Clinical Psychologist
 Agency: Wholistic Health Services
 Sioux City, IA
 Duties: Family Medical Practice Setting. Provide individual, couple, and family psychotherapy on an outpatient basis. Client population covers a broad range of clinical problems. Perform psychological evaluation and testing. Provide group psychotherapy to sexual abuse victims and battered women. Provide physicians in-house consultation. Public speaking.
- Date: July 1987 to March 1988
 Position: Clinical Director
 Agency: Sexual Assault Counseling Services of Marin
 San Rafael, California
 Duties: Development and coordination of clinical services program for sexual assault victims and their significant others. Involves assessment and diagnosis, provision of crisis intervention services where applicable, and implementation of short or long term treatment. Provide individual, couple, and family therapy. Conduct two ongoing psychotherapy groups for incest and rape victims on a weekly basis. Development of intern training program and clinical supervision of three counseling interns. Supervision of Child Sexual Assault Prevention Program. Development of clinical record system. Provision of educational seminars and in-service training to staff, rape crisis paraprofessional volunteers and the professional community. Development of training materials. Media presentations. Coordination of Bay area Sexual Assault Network (4 County) research grant.
- Date: October 1986 to July 1987
 Position: Research Associate, full-time
 Agency: Department of Psychology, Addictive Behaviors Research Center
 University of Washington, Seattle, Washington
 Duties: Postdoctoral training program with a clinical/research focus in the area of addictive behavior problems and interpersonal violence. Research team member of two projects which utilized a relapse prevention/cognitive behavioral treatment model. Topic areas involved altering compulsive

sexual behavior in individuals at risk for contracting AIDS and teaching self-control skills to college students at risk for problematic alcohol usage. Provided individual therapy (general practice). Public speaking.

At Harborview Community Mental Health Center Anger Management Program, Health Sciences Center, University of Washington, performed psychological assessment and provided structured group treatment to domestically violent males. Research team member of Harborview Anger Management Program staff. Conducted 3 research studies focused on the underlying personality structure of spouse abusers and several variables related to their alcohol usage.

Date: September 1985 to September 1986
 Position: Psychology Intern, full-time
 Agency: Atascadero State Hospital, Atascadero, California
 Pre-doctoral Clinical Psychology Internship Program
 Duties: Clinical internship with a forensic psychology focus in a maximum security hospital setting involving specialized training in the assessment and treatment of mentally disordered criminal offenders. Performed psychological assessment and provided individual and group psychotherapy to sex offenders in the Sex Offender Treatment and Evaluation Project utilizing a relapse prevention/cognitive behavioral treatment model. Also provided individual and group psychotherapy to criminal offenders with a variety of other felony charges and a broad range of psychological disorders. Performed psychological assessments involving issues of competency, criminal responsibility, psychological, social and behavioral factors involved in criminal offending, restoration of sanity and assessment of dangerousness and re-offending.

Clinical Internship Community Placement/8 hours per week. District Attorney's Office, San Luis Obispo County Victim Assistance Program-Rape Crisis Unit. Provided courtroom advocacy, crisis intervention and brief psychotherapy to child, adolescent and adult victims of sexual assault and their family members. Coordination with district attorneys in prosecution of sexual assault cases. Conducted psychotherapy group for battered women in a shelter residence. Provided training and consultation to district attorneys, rape crisis staff, and battered women's shelter staff. Media presentations and public speaking.

Date: June 1984 to July 1985
 Position: Clinical Psychologist in Training, part-time
 Agency: Siouland Council on Alcoholism and Drug Abuse
 Sioux City, Iowa (field placement-Clinical Psychology Training Program, University of South Dakota.)
 Duties: Performed clinical interview and psychological testing for all clients in an out-patient treatment program for alcoholism and drug dependency. Staff consultation duties. Interpretation of 135 MMPI's.

Date: May 1984 to August 1985
Position: Psychological Assistant, part-time
Agency: Lewis and Clark Mental Health Center, Yankton, South Dakota (field placement-Clinical Psychology Training Program, University of South Dakota).
Duties: Rural mental health center setting. Performed individual, couple and family therapy on an outpatient basis, psychological evaluation and testing, public speaking and workshops. Conducted ongoing psychotherapy group for battered women.

Date: May 1984 to August 1985
Position: Psychological Assistant, part-time
Agency: Southeast South Dakota Activities Center, Vermillion, South Dakota, through contract with Lewis and Clark Mental Health Center (field placement-Clinical Psychology Training Program, University of South Dakota).
Duties: Sheltered workshop program for developmentally disabled adults. Performed psychological evaluation and testing. Conducted individual psychotherapy and ongoing social skills training workshops.

Date: November 1982 to August 1985
Position: Television Announcer, part-time
Agency: KUSD, Channel 2, South Dakota Public Television Network, Vermillion, South Dakota
Duties: Recorded for broadcast various station identification messages, cautionary statements and promotional material for upcoming programming.

Date: August 1982 to August 1985
Position: Psychological Trainee, part-time, non-paid
Agency: Psychological Services Center, Clinical Psychology Training Program, University of South Dakota
Duties: University counseling center setting. On-going supervised practicum experience consisting of the following: psychological evaluation and report writing; intelligence, personality and neuropsychological testing; individual, couple, and family therapy. Conducted two on going psychotherapy groups for battered women and victims of incest. Crisis hotline on a regular basis.

- Date: July 1981 to August 1985
Position: Therapist and Workshop Facilitator, part-time
Agency: Electra Ltd. (corporate partner)
Sioux City, Iowa
Duties: Private practice with a specialized focus on women's issues and the treatment of victims of interpersonal violence. Conducted individual therapy and on-going psychotherapy groups for victims of incest and rape, and battered women. Provided training, workshops, and public speaking to agencies/groups on a contract basis in the following topic areas: Stress Management, Self-Esteem, Assertiveness, Communication Skills, Conflict Resolution, Sex-role Stereotypes, Sexuality, Divorce, Domestic Violence, Rape, Incest, and Child Sexual Abuse Prevention.
- Date: August 1983 to January 1984
Position: Psychological Trainee, part-time
Agency: Neurological Institute and Pain Center
Sioux City, IA (field placement-Clinical Psychology Training Program
University of South Dakota).
Duties: Performed intake interview, psychological assessment and personality testing for outpatients in a neurological practice. Majority of patients had a primary presenting complaint of pain in conjunction with various neurological disorders and types of central nervous system trauma.
- Date: January 1983 to August 1983 & January 1984 to May 1984
Position: Teaching Assistant, part-time
Agency: Department of Alcohol and Drug Abuse Studies
Division of Health Sciences, College of Arts and Sciences
University of South Dakota, Vermillion, South Dakota
Duties: Instructor for undergraduate course entitled "Introduction to Drugs of Abuse".
Taught course on-campus for two semesters and one summer session.
- Date: August 1982 to December 1982
Position: Research Assistant, part-time
Agency: Person Power Project, State Division of Alcohol and Drug Abuse, through sub-contract with Department of Alcohol and Drug Abuse Studies,
University of South Dakota, Vermillion, South Dakota
Duties: Conducted survey research and data analysis to determine the impact of college level training on South Dakota substance abuse counselors. Final Report submitted to the South Dakota State Division of Alcohol and Drug Abuse.

- Date: September 1978 and August 1982
 Position: Clinical Services Coordinator, full-time
 Agency: Gordon Chemical Dependency Center
 Sioux City, Iowa
 Duties: Coordination of clinical services for an in-patient treatment program serving drug and alcohol dependent adolescents. Client capacity of 26. Involved supervision of 10 in-patient therapists providing individual, group, and family therapy. Client evaluation and report writing. Coordination of staff development training program. Development of client record system and comprehensive follow-up program. Supervision of recreational staff. Interviewing, hiring, and termination of inpatient therapy staff. Policy development, training, and public speaking.
- Date: January 1977 to September 1978
 Position: Social Services Coordinator, full-time
 Agency: Woodbury County Care Facility
 Sioux City, Iowa
 Duties: Coordination of social services for an 80 bed residential care facility serving chronic emotionally disturbed and developmentally disabled adults. Performed individual therapy, admission screening, client evaluation and report writing. Developed a comprehensive records system for the facility encompassing all aspects of record keeping for total client care. Assessed all residential clients, and wrote approximately 100 psycho-social histories to meet licensure requirements. Developed and instituted a staff in-service training program.
- Date: January 1975 to December 1976 & January 1974 to May 1974
 Position: Psychiatric Aide II, full-time
 Agency: South Dakota Human Services Center
 Yankton, South Dakota
 Duties: Supervision of patients in all areas of a psychiatric state hospital on a rotating basis: admissions, adolescent unit, maximum security, behavioral modification programs and continuous treatment areas for chronic patients. Charting duties and medication administration.
- Date: June 1974 to November 1974
 Position: Detention Counselor, full-time
 Agency: El Paso County Juvenile Probation Department
 El Paso, Texas
 Duties: Supervision and counseling of delinquent juveniles in a maximum security setting. Involved working with adolescents charged with misdemeanors and felonies, many of whom were not U.S. citizens and here illegally from Mexico and Central American countries.
